Friday, 08 October 2021

Dear Parent/Guardian,

Annwyl Rhieni,

We have reached the end of another busy week. Time seems to be flying by. Here is some information to keep you updated on forthcoming events.

Mark Drakeford is due to make further announcements relating to Christmas and the winter season later today. We remain in alert level 0 and continue to approach things with caution. The infection rates in the communities around us remain high and at Ysgol Y Foel we have managed to avoid this. For the safety of our community and families we will continue to proceed with caution and appreciate your support in doing so.

**Harvest donations** - we would like to request donations of canned goods, packet goods and non-perishables to donate to the food bank and also create a harvest hamper to raffle. Please could these be brought in as soon as possible.

**Harvest Service** - in agreement with the Mold Consortium of schools there will be no audience at this year's harvest service. We will record the performance for you and provide you with the link. (I know this is not what we hoped for)

**Parents Pottery Party** - Spavens have given us two dates for this possible fun evening of pottery painting and drinks. They are Wednesday 17th or Wednesday 24th November from 6-8pm at Spavens. Please let us know a preference by Tuesday so we can confirm with Spavens.

**Halloween Disco** - There will be a Halloween disco in After School Club on Thursday 21st October from 3.20-5.20pm. The children can come to school in Halloween outfits for the day. Booking for this should be made through club (details on poster to follow).

**Pumpkin Competition** - Monday 18th October will see the start of pumpkin week. Carve a pumpkin and bring it into school as part of our competition. Pumpkins will be judged at the disco on Thursday 21st October.

If you would like to contact us with suggestions for future fundraising or events please email the office at [yfmail@hwbcymru.net](mailto:yfmail@hwbcymru.net)

Have a restful weekend.  
Mrs O'Neill
