

## Our School Staff/ Staff ein hysgol yw

At Ysgol-y-Foel we are very proud of the team of people with whom we work. Our team of staff share in a common set of values, at which a caring and nurturing approach to supporting our children as learners and as young people is central. We extend a warm welcome to all members of our school community should they want to come into school at any time to speak with a member of staff.
