
We are Dylan, Harvey, Sophie, Imogen, Caitlyn and Ollie

We are the Planet Planners. We responsible for helping to save the planet.

In school we encourage children and adults to recycle paper, plastic, cards and food.

We have spoken at Theatre Clwyd and given a TEDX talk about reducing our carbon footprint to net zero by installing solar panels and air source heat pumps at school school. (you can see this on YOUTUBE)

We are currently working on an action plan to improve our garden site, including our pond to encourage more species.

We hope to plant some wild flowers to encourage bees and make a hedgehog hotel.

We hope to have chickens and goats too!!
