

We are Daniel, Milli- Mai, Evie, Megan and Ben.

We are the school council.

In school we try to help children have a fun playtime by organising activities in the outdoor classroom. If it's wet we hold a book club.

We have worry boxes in class so children can tell us if they have something bothering them.

We have ideas boxes in class so children can give us ideas of things to change or new equipment we want.

We work with the teachers so our voice is heard.
