

School Rules

Since our return the children and staff have been busy discussing The United Nations Rights of the Child and the Rules of our school. Each year we re-write our school rules so that they are applicable to the children in school at the time.

This year, after a whole school discussion, our School Council agreed that our rules should be thought of as rights.

Our School Rules 2021/2022

Respect each other, our school and our environment

Invite each other to play

Give your best, always and enjoy learning

Healthy people, Happy school

Teach each other

Stay safe, stay healthy, stay positive
