Dear Parent/Guardian/Annwyl Rieni/Gwarchodwyr,

**RE: School Lunches – Price Increase**

We have been informed by Flintshire County Council that they will be increasing the cost of meals to **£2.80 per day from the 2<sup>nd</sup> October 2023**. This only affects years 5 & 6.

The cost of a school meal is reviewed annually to ensure that they cover costs of producing the menu, and approval has been granted for the increase in line with inflation levels.

The school meals continue to provide excellent value for money for a balanced, nutritious food. Flintshire compares very favourably in price when benchmarked with other authorities in North Wales.

Yours sincerely,

Mrs A Walker

Acting Headteacher.
