Dear Parent/Guardian/Annwyl Rieni/Gwarchodwyr,

Headteacher's Update

This newsletter is filled with lots of information, some important changes and **a few requests** so please take the time to read. This newsletter will of course be uploaded on to our website so you can refer back to it as needed.

Asda, if you have downloaded the app for school we **have 64 days** to add to our current total of £68. If you haven't joined there is still time – please see poster outside school.

Our Baby and Toddler sessions have been a great success and we have welcomed new families to Ysgol Y Foel! If you know of any families with little ones they are more than welcome to join us every Wednesday morning from 10am.

We have lots of things in the pipeline which we hope will entice new families to our school so watch this space. We can accept children the term following their 3rd birthday for Early Entitlement so if you think you could be eligible or now a little person who could be please contact school.

Health and Safety

Please will you make sure your child does not climb on the wall or the signpost outside school at pick up. Unfortunately, if an accident does occur, the school will be held responsible. Thank you for your support with this.

As stated in our first newsletter of the year, we will be revisiting and sharing with you The Curriculum for Wales at Ysgol Y Foel.

What do we mean by Curriculum?

A Curriculum should be considered at the heart of any school. Our curriculum is a joined-up way of thinking to realise our vision to ensure our learners are ambitious, enterprising, ethical and healthy citizens. Our curriculum is broad and balanced and suitable for all learners of different ages, abilities and aptitudes. It provides for appropriate progression for learners and includes a range of provision to include this.

The Curriculum at Ysgol Y Foel has been created using:

The Four Purposes

The Four Purposes are at the heart of the curriculum at Ysgol Y Foel. The children and staff have written them in language that easy for them to understand and use in their daily practises. (The full version can be found on the Welsh Governments website)

Purpose Aim High, you can do it! (ambitious, capable learners)

Our next purpose is Bringing the world together, now and forever: (ethical, informed citizens)

This means we :

- Practise Sustainable Development
- Follow the Rights Respecting Code and the UN rights of the child
- Know about people of the world, past and present
- Think about our actions
- Use information to make an informed decision

Please ask your children what they have been doing in school and see if they can link it or you can link it to the above.

Governors - If you know of anybody who would like to become part of our school this is a fantastic opportunity – please share in the community!

We currently have a vacancy for a Community Governor and a Clerk on our governing body.

Training and guidance are provided for this role. If you are interested in either of these positions or have any questions please contact the school office via email: yfmail@hwbcymru.net or phone on 01352 740197.

Attendance

- If your child is unable to attend school due to illness, make sure the school office is informed at the earliest opportunity. Late marks will be given to children where they have not arrived before the side gate is closed. Please visit our website where you will find current guidance under **Parents and Carers, Sickness and Attendance.**

Attendance is compulsory from Reception.

Attendance data for up to 26/09/2024:

Class	Percentage of attendance
Dosbarth Famau	98.17%
Dosbarth Yr Wyddfa	97.74%
